The White House
Washington 25, D. C.

My dear Mr. President

I am enclosing a copy of a letter I received from General Anthony C. McAuliffe, Assistant Chief of Staff, Department of the Army, and a copy of my reply. This correspondence relates to the elimination of segregation in the Army. x1285-B this

All the members of the American Veterans Committee were delighted when you issued your Executive Order to eliminate segregation in the armed forces, and we are very much concerned with the failure of the Army, after three years, to carry out this order.

Yours very truly,

Michael Straight
