Grade 5 Advanced/Gifted and Talented (GT) English Language Arts
Unit Title: The Search for Authenticity
Unit Overview

**Unit Description: 15-20 days**

This unit uses the overarching concept of **authenticity** to analyze and evaluate the historical novel *The Shakespeare Stealer*. Students begin by exploring the concept of authenticity through discussion and writing. While reading the novel, students will research historical information on the setting, Elizabethan England, evaluating elements of the novel for their historicity. Students will participate in a variety of collaborative learning strategies such as Shared Inquiry, Carousel Brainstorming, and Socratic Seminar to discuss the concept of authenticity as it is developed in the novel. Students will use the archetype of the Hero’s Journey to understand how an author creates a story that is timeless and authentic. Lessons that focus on the use of language in Shakespeare’s monologues and soliloquies will aid in understanding the unit concept as students close read and perform lines from a variety of plays. In the Unit Closure, students will analyze, evaluate, and synthesize the overarching concept of authenticity by putting the author “on trial” for creation of an historically accurate text and by creating an authentic character and scene to insert into the novel.

**Essential Question**

How do we determine **authenticity**?
What does it mean to be an **authentic** person?
