.01 Purpose

Gifted and talented students are found in all Maryland schools and in all cultural, ethnic, and economic groups. The intent of this chapter is to provide local school systems with direction for identifying students and developing and implementing the gifted and talented education programs and services needed to develop these students’ full potential. These regulations establish the minimum standards for student identification, programs and services, professional development, and reporting requirements.

.02 Identification of Gifted and Talented Students

A. Each local school system shall establish a process for identifying gifted and talented students as they are defined in the Educational Article §8-201;

B. The identification pool for gifted and talented students shall encompass all students;

C. The identification process shall use multiple indicators of potential, aptitude, and achievement;

D. The identification process shall be used to identify students for participation in the programs and services described in § .03 of this regulation; and

E. Each school system shall review the effectiveness of its identification process.

F. Each school system shall consider implementing an identification process that:

    (1) Documents early evidence of advanced learning behaviors, PreK-2;
    (2) Includes procedures for identification and a process for appeals that are clearly stated in writing, made public, and consistently implemented systemwide; and,
    (3) Provides ongoing professional development for school staff in the characteristics and needs of gifted and talented students.

.03 Programs and Services

A. Each school system shall provide different services beyond those normally provided by the regular school program in order to develop the gifted and talented student’s potential. Appropriately differentiated programs and services shall accelerate, extend, or enrich instructional content, strategies, and products to demonstrate and apply learning.
B. Each school system shall review the effectiveness of its programs and services.

C. Each school system shall consider implementing programs and services for gifted and talented students that:

(1) Provide a continuum of appropriately differentiated academic programs and services in grades PreK-12 during the regular school day for identified gifted and talented students.

(2) Provide programs and services to support the social and emotional growth of gifted and talented students.

(3) Provide programs and services to inform and involve parents/guardians of gifted and talented students.

.04. Professional Development

A. Teachers and other personnel assigned specifically to work with students who have been identified as gifted and talented shall engage in professional development aligned with the competencies specified by the Gifted and Talented Education Specialist certification §13A.12.03.12.

B. Teachers who wish to pursue leadership roles in gifted and talented education shall be encouraged to obtain Gifted and Talented Education Specialist certification as defined in §13A.12.03.12.

.05. State Advisory Council

The State Superintendent of Schools shall maintain an Advisory Council for Gifted and Talented Education that shall advise the Superintendent on issues and best practices relevant to the education of gifted and talented students in Maryland.

.06. Reporting Requirements

Local school systems shall in accordance with Education Article §5-401 (c) report in their Bridge to Excellence Master Plans their goals, objectives, and strategies regarding the performance of gifted and talented students along with timelines for implementation and methods for measuring progress.
