

The Maryland Mentor Survey Directions

-NOTE: The LEA name has been removed and survey results will NOT be linked to LEAs in the data shared with CAIRE.

-Induction Coordinators will give the surveys themselves (paper and pencil, LEA platform, Survey Monkey, etc.).

-Induction Coordinators are expected to bring the results to a future meeting where we will work with the data. Once you complete the survey, please send the data in advance electronically to Heather Lageman (hlageman@msde.state.md.us) and bring a hard copy of your data to the meeting.

-Please leave the 14 survey questions intact to enable to us to look for patterns and trends. Feel free to add additional questions for your own information (**at the end of the survey to preserve the numbering of the survey**); however, please do not remove any questions.

-When you send out the email with your survey, please be sure to point out that there are several comment boxes within the survey to add additional information and explanation.
