High School Math & Physics
TEACHER
Daytona Beach, FL

"There are amazing teacher leaders in every school. Those teachers are leaders in their buildings and districts, not because of a title or position, but because that is who they are."

~ (*Teacher, Ohio*)

What we already know about getting to efficacy and satisfaction

**Collaboration & Sufficient
Time are critical**

**Job - Embedded
Professional Development
is key**

**A Voice in the Process &
Decisions Makes all the
Difference**

Video Provides Opportunity

Support personal professional learning plans

1 Upload Videos

Use this button to upload videos to your account (even videos from dropbox or google drive).

Or you can use our mobile app "Torsh Uploader" to easily record videos and automatically upload them to your account.

Don't worry, all of the videos you upload will be private until you decide to share them!

HOME VIDEOS REVIEW ANALYTICS EXEMPLARS

2 Videos

You can see all the videos you have uploaded and the videos your colleagues have shared with you here.

Watch, reflect, share, and review videos in order to improve your practice or to provide help and feedback to others.

REVIEW ANALYTICS EXEMPLARS COMMUNITY

3 Review Analytics

You can add rubrics to TALENT and make them available to your community, so coaches, admins and teachers can review videos in a more structured manner.

If there is a rubric or framework you would like to add, send it to us and we will add it for you! The results of each

EXEMPLARS COMMUNITY

4 Exemplars

Here you'll find videos of great examples of practice within your community, curated by admins and coaches.

Whenever a teacher shares a video with you that you think is inspiring, shows an example of great practice or tries interesting methods, you can create a clip of it, and publish it as an exemplar video.

COMMUNITY

5

Community

Get to know your colleagues and discover their areas of expertise.

Our community page makes it easy to connect, collaborate and build an online professional learning community around your practice.

Reflect, Collaborate,
Observe, & Coach on
your time

Embed professional
development in the
classroom & education
community

Have a voice in your
growth

Create the 'WOWs'

TALENT is your private space to **reflect** on practice, receive **coaching**, **mentor** others and build **community**.
