

MSDE Blackboard Learn – Maryland Stakeholders <https://msde.blackboard.com>

We are very excited to offer the state Curriculum Management/Learning Management system to Maryland stakeholders. Ninety-five percent of the MSDE Blackboard Learn Platform is open to the Public and **does not require login** credentials. This includes the Curriculum Resources, Student Resources, Maryland College and Career-Ready Resources, and Parent Resource tabs.

Currently, the **only time login credentials** will be required are for the following reasons (login link is located at the top right hand corner of the screen):

1. You are **enrolled** in an existing course
2. You are a **member** of an existing MSDE eCommunity
3. You wish to **register** for a course
 - To register for a course, please **follow the directions** provided via the Course Registration link.
 - If you do not already have active login credentials, the directions will walk you through the process for obtaining them.
 - Once you have login credentials, please follow the registration process.

(Non-public educators will not be using the electronic registration system. The Course Registration directions will provide the email address for you to start the process).

If you are an active user (activation must done by MSDE) in the system as a course or eCommunity participant, login information to MSDE Blackboard Learn is below:

- 1) Go to <https://msde.blackboard.com>
- 2) Type in your username – school system email address
For example: Harry Holt hholt@wcboe.org
- 3) Type in the password: **msdelms**
- 4) You now have access to courses or professional learning communities in which you are enrolled.
- 5) You will be able to reset your password after your initial login
- 6) **If you are a Maryland classroom teacher and are having trouble logging into your course or eCommunity, please email MSDEBlackboard@msde.state.md.us**

Intervention and Enrichment student supplemental modules are available with several in the development process. Eventually, there will be approximately 375 PreK –grade 12 modules. Credentials are required to access these resources and are available to **all Maryland** stakeholders.

Please share the login information with students, parents, etc.
